MANAGEMENT DISCUSSION AND ANALYSIS

BACKGROUND

Pariksha Fin-Invest-Lease Limited (PFIL) is a Non-Banking Finance Company ("NBFC"), holding a Certificate of Registration from the Reserve Bank of India ("RBI"). The PFIL is non deposit accepting engaged in financial services. The PFIL is an entity of Uttam Group. The Company has its registered office in Delhi and Corporate office at Ghaziabad.

GLOBAL ECONOMY

The World Bank forecasts global economic growth to edge up to 3.1 percent in 2018 after a much stronger-than-expected 2017, as the recovery in investment, manufacturing, and trade continues, and as commodity-exporting developing economies benefit from firming commodity prices.

Growth in advanced economies is expected to moderate slightly to 2.2 percent in 2018, while the growth in emerging market and developing economies as a whole is projected to strengthen to 4.5 percent in 2018, as activity in commodity exporters continues to recover.

2018 is on track to be the first year since the financial crisis that the global economy will be operating at or near full capacity. With slack in the economy expected to dissipate, policymakers will need to look beyond monetary and fiscal policy tools to stimulate short-term growth and consider initiatives more likely to boost long-term potential.

INDIAN ECONOMY

The Budget 2018 comes against the backdrop of minor fiscal slippage from the 3.2% target of the Budgetary allocation, along with rallying crude oil prices on the global front. Government's advance GDP data showed that India's economic growth at 6.5%, the lowest growth rate during the Modi government. However, even as the structural reforms — the GST and demonetisation — are expected to ease out over the next few quarters. The GDP growth estimate for the fiscal year 2017-18 is at a four-year low of 6.5% in the current fiscal, the lowest under the Modi-led government, mainly due to the poor performance of agriculture and manufacturing sector, as against 7.1% in the last fiscal. In the second quarter (July-September), India made a comeback at 6.3% from a three-year low 5.7% in the previous quarter. However, massive rationalisation on as many as 178 products in November led to the fall in government's revenue, which seems to be picking up in later months.

INDUSTRIAL STRUCTURE AND DEVELOPMENTS

Non-Banking Finance Companies (NBFCs) continue to play a critical role in making financial services accessible to a wider set of India's population and are emerging as strong intermediaries in the finance space. Non Banking Financial Companies (NBFCs) are governed by the Reserve Bank of India vide powers conferred under chapter III- B of Reserve Bank of India Act, 1934. The regulatory and supervisory frameworks for NBFCs have been continuously strengthened in order to ensure strong and healthy functioning of NBFCs.

NBFCs are emerging as an alternative to mainstream banking. Besides, they are also emerging as an integral part of Indian Financial System and have commendable contributions towards Government's agenda of financial Inclusion. They have been to some extent successful in filling the gap in offering credit to retail customers in underserved and unbanked areas. Though India has a bank dominated financial system but recently Non Banking Financial Companies are competing with the banks in providing financial services and has been playing a complementary role with other financial institutions in the Indian Economy. In terms of financial assets, NBFCs have registered a robust growth, i.e. a compound annual growth rate (CAGR) of 19% over the past few years, consisting of 13% of the total credit and estimated to reach nearly 18% by 2018-19.

OPPORTUNITIES & THREATS

The NBFCs business model has strengthened considerably over the past few years in terms of access to varied funding sources. The growth of mutual fund industry and the emergence of securitization as a borrowing tool have helped to strengthen the NBFC sector. In recent times, NBFC's have emerged as lenders to both companies and individuals. When it comes to lending, NBFCs are generally regarded to be complementary to banks and are often able to offer better services and products to their customers.

As the Company's main motive is to provide financing facilities within the Group, Company is not having internal or external threat. But still the NBFCs in India are facing stiff competition from banks and financial institutions,

due to ability of banks to raise low cost funds which enable them to funds at much cheaper rate. More stringent capital adequacy norms have been stipulated by RBI for NBFCs which is making difficult for them to give cheaper finance.

PFIL sees huge growth opportunities in each of its existing business areas, and will also be expanding the focus of activities to new areas, arising from the strong growth momentum in the economy. PFIL is making best possible efforts to improve its performance despite these difficult conditions.

FINANCIAL PERFORMANCE

PFIL gross income from operations for the financial year ended March 31, 2018 is Rs.67,94,688/- as against Rs. 84,41,120/- in the previous year. The working of Pariksha Fin-Invest-Lease Ltd. (PFIL) for the year under review resulted in profit of Rs.43,546/- as against profit of Rs. 7,83,542/- (before tax) in the previous year.

RESOURCES AND LIQUIDITY

During the year under review, PFIL has not raised any funds from the market by way of allotment of shares/bonds/warrants/debentures, or by raising public deposits etc.

PORTFOLIO

PFIL's investment portfolio stood at Rs. 4,07,20,800/- as on March 31, 2018, at cost. Further Rs. 2,62,47,981/- is also stood as Loans to others. PFIL's strategy for its portfolio is to focus on asset quality and asset mix to achieve good returns.

OUTLOOK

Finance Sector is one of the key growth sectors of the economy. Non-Banking Finance Companies (NBFCs) are emerging as an alternative to mainstream banking. Besides, they are also emerging as an integral part of Indian Financial System and have commendable contributions towards Government's agenda of financial Inclusion. Non Banking Financial Companies are competing with the banks in providing financial services and has been playing a complementary role with other financial institutions in the Indian Economy.

The Management of PFIL is concentrating on the core area of investment and finance. Capital market is improving and PFIL will explore the opportunities available in the Capital Market and other financial areas. The persistent challenges in the operating environment resulted in higher delinquency levels for the NBFCs. (Source: ICRA)

ANNEXURE 'B' TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **PARIKSHA FIN-INVEST-LEASE LIMITED** ("the Company") as of 31 March 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
