ANNEXURE – ‘IV’ MANAGEMENT DISCUSSION AND ANALYSIS

BACKGROUND

Pariksha Fin-Invest-Lease Limited (PFIL) is a Non-Banking Finance Company (“NBFC”), holding a Certificate of Registration from the Reserve Bank of India (“RBI”). The PFIL is non deposit accepting NBFC engaged in financial services. The PFIL is an entity of Uttam Group. The Company has its registered office in Delhi and Corporate office at Ghaziabad.

GLOBAL ECONOMY

The World Bank has forecast that India will continue to remain the fastest growing major economy in the world in 2018-19. In a report the World Bank said India’s Gross domestic Product (GDP) will grow at 7.3 per cent during the ongoing financial year. This will further climb up to 7.5 per cent in the next two financial years. The World Bank reasons that this is a result of increased consumption and investment. Besides, it says that the economy is regaining after a temporary slowdown due to demonetisation and the implementation of GST.

These predictions have been made in a report prepared by the World Bank titled: ‘Global Economic Prospects: Darkening Skies’. The report says that most world economies stare at dark times in this financial year. However, it has projected a brighter picture for India and the South Asian region as a whole.

Meanwhile, growth among advanced economies is forecast to drop to 2 per cent this year. Slowing external demand, rising borrowing costs, and persistent policy uncertainties are expected to weigh on the outlook for emerging market and developing economies. Growth for this group is anticipated to hold steady at a weaker-than-expected 4.2 percent this year.

INDIAN ECONOMY

According to the World Bank, Indian economy has benefitted from robust performances in manufacturing sector driven by increased consumer spending. India has made rapid progress in economy doubling its GDP in less than past 10 years and emerged as the engine of economic growth in Asia. India’s GDP is estimated to have increased 7.2 per cent in 2017-18 and 7 per cent in 2018-19. India has retained its position as the third largest startup base in the world with over 4,750 technology start-ups.

India’s labour force is expected to touch 160-170 million by 2020, based on rate of population growth, increased labour force participation, and higher education enrolment, among other factors, according to a study by ASSOCHAM and Thought Arbitrage Research Institute.

India’s foreign exchange reserves were US\$ 405.64 billion in the week up to March 15, 2019, according to data from the RBI.

INDUSTRIAL STRUCTURE AND DEVELOPMENTS

NBFCs (Non Banking Financial Companies) play an important role in promoting inclusive growth in the country, by catering to the diverse financial needs of bank excluded customers. Further, NBFCs often take lead role in providing innovative financial services to Micro, Small, and Medium Enterprises (MSMEs) most suitable to their business requirements. NBFCs do play a critical role in participating in the development of an economy by providing a fillip to transportation, employment generation, wealth creation, bank credit in rural segments and to support financially weaker sections of the society. Emergency services like financial assistance and guidance is also provided to the customers in the matters pertaining to insurance.

For the economy, credit delivery through NBFCs is superior for two levels of capital cushion, lower cost of last mile delivery and specialised underwriting and collection skills. NBFCs now account for more than one-third of incremental credit. This is not a small sector and plays a vital role in economy’s growth and this sector is here to stay.

But the latest regulatory crisis has been a wake-up call. People who have been trying to work on the edge in terms of liquidity or in terms of managing their cost of funds have got a wakeup call and hopefully some balance will be achieved.

The liquidity situation has improved significantly since the last fortnight of September, immediately following the IL&FS default. Availability of funds has improved, and the rate of interest has dropped. The scare of default by some NBFCs or HFCs (housing finance NSE 0.67 % companies) has now passed. It seems, the industry has been able to tide over the short-term liquidity crunch.

Regardless of recent panic and meltdown in the market values of NBFCs, they are here to stay and will play an important role in the economic growth and financial inclusion. In fact, as the economy becomes larger and grows faster, the need for credit will rise disproportionately. We need both banks and NBFCs to rise to the occasion and provide the economy with its lifeblood, i.e. credit.

OPPORTUNITIES & THREATS

The NBFC sector in India is large with significant growth potential and has consistently created value for its shareholders. The NBFC sector has a double digit credit market share and has consistently gained market share from banks over the last 10 years. The RBI constantly issues new regulations and / or modifies existing regulations endeavouring to balance the multiple objectives of financial stability, consumer and depositor protection and regulatory arbitrage concerns. The RBI, however, implements major changes in a structured manner providing companies operating in the sector adequate time to adapt and adjust.

Newer regulatory updates pose a constant challenge for smooth operations of the Company. The Company needs to be equipped to quickly adapt to the constant changes in regulations and competitive landscape. With new entities entering the market place, the Company needs to maintain its competitive edge through constant adaptation and creating strategies to protect its niche. The implementation of the IND AS will pose its own set of challenges for the Company and NBFC sector as a whole.

The persistent challenges in the operating environment resulted in higher delinquency levels for the NBFCs.

Basis for Opinion

We conducted our audit of financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. Key audit matters are selected from matters communicated with those charge with governance, but are not intended to represent all matters that were discussed with them. The auditors' procedures relating to these matters were designed in the context of the audit of the financial statements as a whole. However, there are no Key audit matters to report.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our Objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, We exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and to obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusion are based on the audit evidences obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, Structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statement that, individually or in aggregate, makes it probable that the economic decision of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factor in (i) planning the scope of our audit work; and (ii) to evaluate the effect of any identified misstatement in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charge with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE II TO INDEPENDENT AUDITORS' REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **PARIKSHA FIN-INVEST-LEASE LIMITED** ("the Company") as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountant of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and those receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.
